Cincinnati Recreation Commission

AQUATIC DIVISION

PROGRAM BROCHURE 2016

Cincinnati Recreation Commission Vision:

The Cincinnati Recreation Commission will excel in the delivery of recreational services to the people of Cincinnati.

Aquatic Division Mission:

The Cincinnati Recreation Commission Aquatic Division will provide fun, safe, quality aquatic-related programming and recreational activities for the residents and visitors of Cincinnati. CRC's 24 pools and 6 stand-alone spraygrounds throughout Cincinnati will provide customer-friendly environments with affordable and diverse activities which meet the needs of the community's citizens.

Core Values:

Safe, fun, quality programs in clean, friendly facilities.

Support:

Our aquatics plan continues to upgrade our remaining facilities. CRC has taken numerous service reductions since 2001. We have closed 28 pools in the last 15 years. To support our Aquatics Division facilities and programs, mail a tax-deductible donation to:

Cincinnati Recreation Foundation - Aquatics
805 Central Ave., Suite 800
Cincinnati, OH 45202

Thank you!

- This year we open the renovated Oakley Pool.
- In 2015 we opened Dempsey Pool.
- In 2014 we opened the renovated McKie and Pleasant Ridge Pools.
- In 2012 we opened Caldwell and North Fairmount Spraygrounds.
- In 2011 we opened College Hill Sprayground.
- In 2010 we opened Evanston Pool.
- In 2009 we opened Oyler and South Fairmount Spraygrounds.
- In 2008 we opened Otto Armleder Memorial Aquatic Center at Dunham and Otto Armleder Memorial Family Aquatic Center at Hirsch.
- This season we will hire 325 staff that will help us to "Work the Water Better."
- CRC lifeguards as a group made 205 preventative rescues last season.
- Our annual city-wide swim meet hosts 400+ swimmers.

Cincinnati Recreation Commission 2016 Pool Membership Rates

In 2016, All-CRC (City-Wide) Pools memberships are available for sale preseason online at www.cincyrec.org until May 27, or preseason at Mt. Auburn Indoor Pool until May 20. Once pools open, pool memberships are only sold at the pools. Enjoy programs at all CRC pools for the entire calendar year with your All-CRC (City-Wide) Pools membership. Regardless of the point of purchase, all pool memberships are valid for admittance for the calendar year to all CRC pools (except Dunham Otto Armleder Pool). Pool memberships (annual or daily user) are required for all patrons entering the facility, including infants and adults who are supervising children. A membership registration information card is required even if you are visiting for one day.

Cool off and beat the heat at one of CRC's six FREE stand-alone aquatic spraygrounds. Caldwell Sprayground, College Hill Sprayground, North Fairmount Sprayground, Dyer Sprayground, Oyler Sprayground and South Fairmount Sprayground are available at no charge and will not require memberships. All spraygrounds are open seven days a week from 10:00 am to 9:00 pm. Three spraygrounds attached to pools - McKie, Oakley and Pleasant Ridge spraygrounds - are available when the pools are closed, at no charge. During open swim times at McKie, Oakley and Pleasant Ridge, a daily user fee or pool membership is required to use the sprayground.

REFUNDS: Daily user refunds are NOT available for weather or closures of any kind. Pool memberships are 50% refundable up to ONE WEEK from the date of purchase.

CRC pool memberships have several options:

All-CRC (City-Wide) Pools Memberships

Available online until May 27, and at Mt. Auburn indoor pool preseason until May 20 and onsite at all pools beginning Monday, June 6.

Cincinnati Recreation Commission Aquatic Division Group Policy

Enjoy outdoor fun at the pool with your group of children or adults at the Cincinnati Recreation Commission's 24 pools. In addition to our CRC day camp groups, numerous child care providers and church groups use our pools to beat the summer heat. Groups have two options:

1) Schedule times at a pool during open swim hours. Up to 1/2 of our pool capacity may be reserved for groups. Pools do sometimes reach capacity. There are no guarantees. Admittance is on a first-come, first-serve basis. Some pools are busier than others, so if you are driving to a site, contact us for suggestions.

2) Guarantee a private swim time for your group by renting the pool. (see Facility Rentals section) We suggest this option for large groups. Pool rentals are also ideal for birthday parties, community picnics or family reunions.

Try out our Dunham Otto Armleder Memorial Aquatic Center. It's open 11 weeks, 12:30pm-8pm Mon.-Sat. and 12:30pm-6:30pm Sun. Buy a Dunham Otto Armleder membership valid at all CRC pools or opt for daily user fees for your group.

Our All-CRC (City-Wide) Pools memberships make it convenient to try out different pools. All-CRC (City-Wide) Pools memberships are valid at all CRC pools, except for Dunham Otto Armleder, for the entire year, including our indoor Mt. Auburn pool. Adults supervising children must have pool memberships.

Registration:

To avoid lines at pool gates, groups may pick up pool membership registration information cards in advance, pre-season, from the aquatic office, 357-POOL(7665) or from the pool during the season. Each participant, including leaders, must have a completed, signed pool registration information card in order to purchase a pool membership. Information cards for youth, ages 17 and younger, require a parent or guardian signature. Pool membership(s) may only be used by the card member.

Payment:

Cash or checks made payable to the Cincinnati Recreation Commission may be taken, along with your group's pool membership registration information cards, to the pool where you choose to purchase your memberships. Dunham Otto Armleder Pool only accepts credit cards or cash. Staff will issue your pool membership(s). Membership sales are not available at our downtown office. Memberships may be purchased preseason online at www.cincyrec.org.

Pool Visits:

If your group will be visiting a pool other than the one where your pool memberships are on file, simply bring a copy of your group roster to the other pool rather than completing new membership information cards. Rosters need to include the following: membership number, original purchase site, child's name, address, phone number, emergency contact name and phone number, and date of birth. The pool gate staff can contact your primary pool for verification of membership information cards.

Each person must show their pool membership for admittance each time they visit any CRC pool. If you wish, your membership can be kept on file at your pool.

Realize each pool has a capacity. To try to avoid being turned away, call the pool and speak with the manager at least one day in advance to prearrange time for your group. Groups are scheduled on a first come, first serve basis. The exceptions to this are the six stand-alone spraygrounds, which are free. Groups attend spraygrounds daily on a first come, first serve basis and times are not reserved.

Pool Rules: (See the pool rules section page 26-31)

All group participants are to follow the Cincinnati Recreation Commission's Pool Rules and Policies while enjoying CRC pools. Please review CRC pool rules with your group before visiting the pool. **Group leaders are responsible for and expected to actively supervise their participants while visiting the pool. CRC lifeguards are not babysitters.** Thank you for your cooperation.

Facility Rentals: (See page 17 for details)

Is your group looking for a fun facility for your summer family reunion or birthday party? Perhaps you're celebrating a special event like graduation or just want to have a different kind of party in the winter. Rent a CRC pool for your next event.

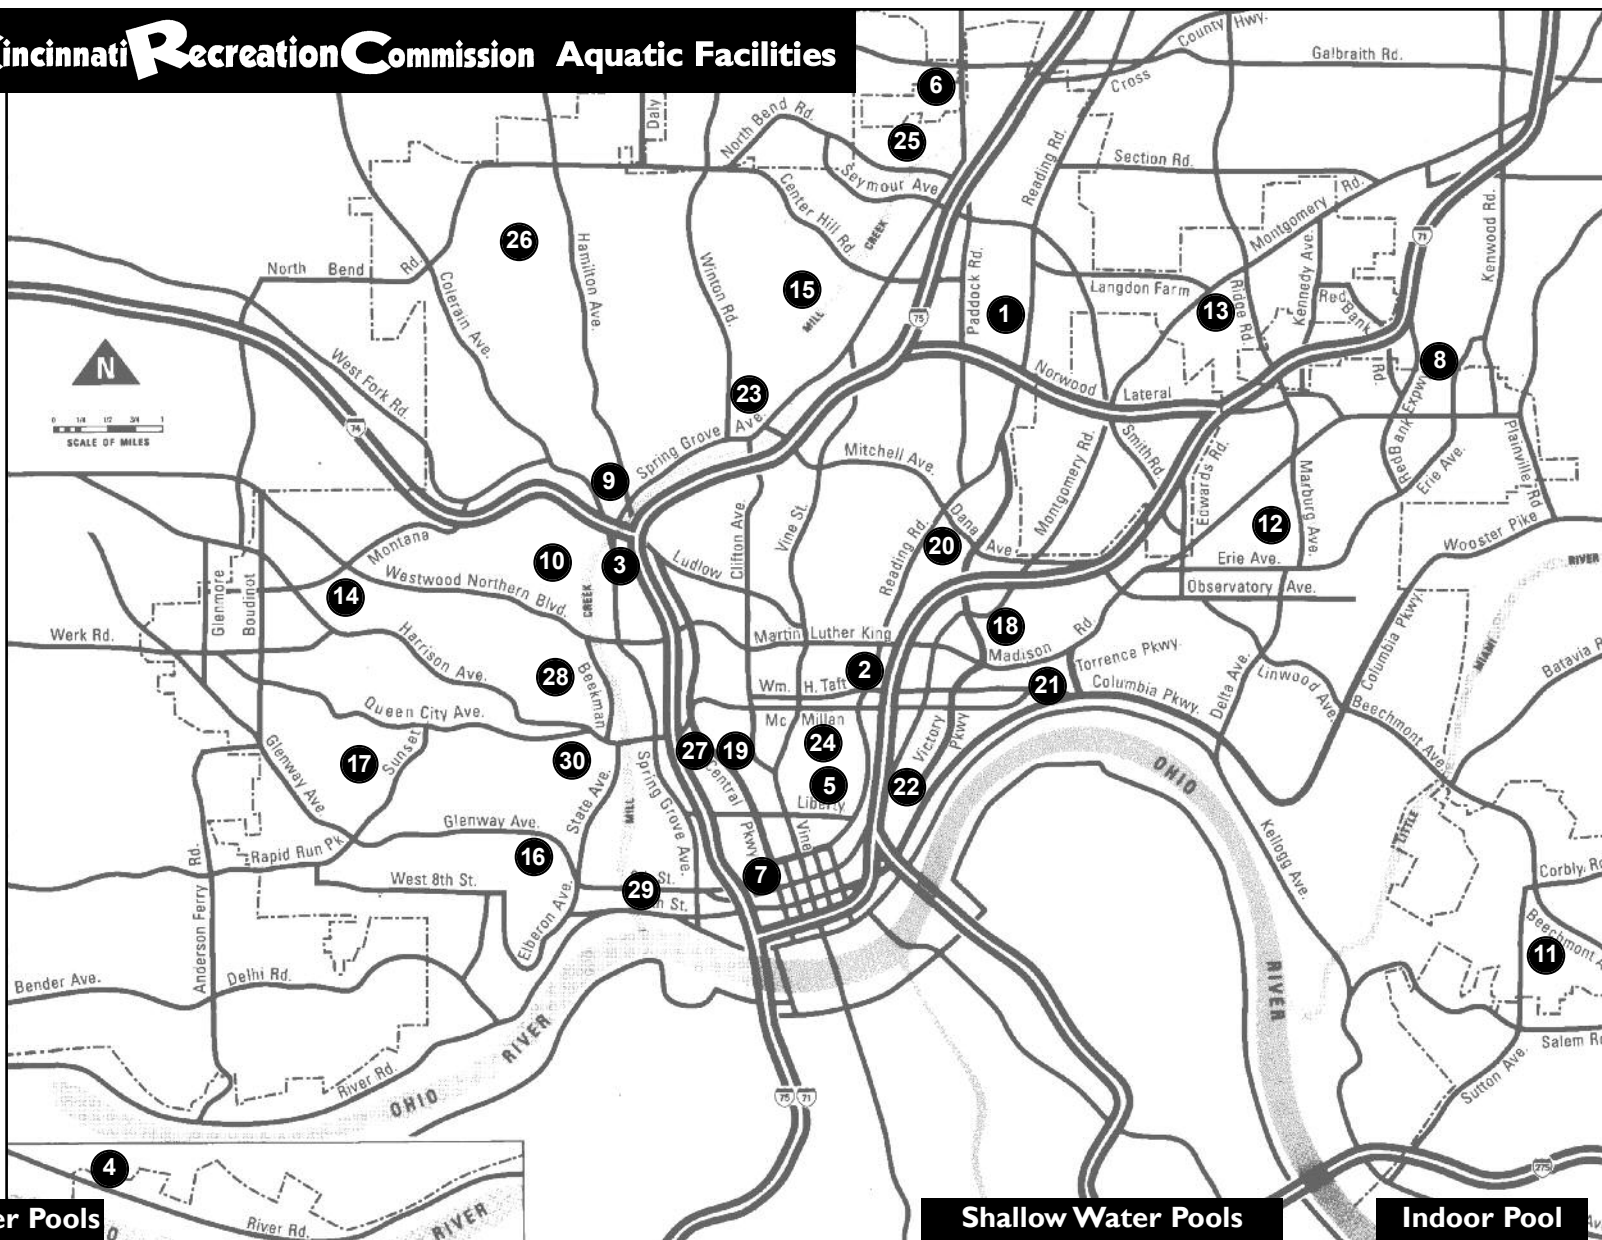

Swim Lessons ~ "I CAN SWIM!" Project: (See page 18-21)

You can't beat this deal. CRC is offering 4-week sessions of swim lessons for FREE for summer 2016. You are asked to pay-it-forward if you can, and donate \$20.00 per child/per session. Each session consists of 6-8 scheduled 45 minute group classes. Save a life; help your children learn a lifetime safety and fitness skill. Session 1 runs June 13 through July 9. Session 2 runs July 11 through August 6. Schedules vary at Dunham Otto Armleder Pool. Register at the pool of your choice.

Free Lunch: (See page 12)

The Cincinnati Public Schools will be operating a free lunch program at many CRC pools and community centers. Those 18 and under can take advantage of this program by checking in 15 minutes before lunch is served. At some pools, children may be cleared from the water during lunch programs. Groups may choose to continue swimming if not eating free lunch.

Adapted Aquatics Programs

CRC's Aquatic Division strives for inclusiveness through **Adapted Aquatics Programs** that include social interaction for you or someone you know who is rehabilitating from an injury or has a disability. Mt. Auburn year-round warm water pool is the perfect pool for participating in our Adapted Aquatic Swim Programs, preparing for Special Olympics swim meets, or Blaze Sports, paralympics, improving flexibility or gaining swimming skills. Our individualized Adapted Aquatics Program is designed to include all ability levels by incorporating the Red Cross Swim Progression, the TR Sequential Swim Progression for individuals with physical disabilities, and the Dolan Method for individuals with autism. Mt. Auburn pool is accessible and offers trained staff for a variety of group and individual instruction. Mt. Auburn pool is also available for rentals by Occupational Therapists, Physical Therapists or for one-on-one therapeutic water work.

Mt. Auburn Warm Water Year-Round Programs Include:

Adapted Aquatic Program, Arthritis Movement Program (Certified by the Arthritis Foundation), Senior Movement and Water Exercise Classes, "I CAN SWIM!" Learn to Swim Lessons (American Red Cross).

Adapted Aquatic Program - Beginning & Intermediate Levels

Our individualized Adapted Aquatics program for ages 5 and older includes all ability levels by incorporating the Red Cross progression, the TR Sequential Swim Progression for individuals with physical disabilities, and the Dolan Method for individuals with autism. Participants are taught swimming skills, water safety and independence. Swimming is an inclusive recreational skill that can improve health and fitness.

Tuesday & Thursday	May 31- July 7	4:30-5:10pm, 5:15-5:55pm, 6:00-6:40pm	\$100 fee
Saturdays	June 4 - July 9	10:00-10:40am, 10:45-11:25am, 11:30-12:10pm, 12:15-12:55pm	\$100 fee

TR Sharks Swim Team

This team is for advanced swimmers age 6 and older with cognitive and/or physical disabilities as well as typical children. Swimmers must be able to swim the length of the pool on front and back, and work in small groups of 3-5. Each swimmer will be evaluated at the first practice. If they do not meet the skill requirements, they will be offered the opportunity to swim in our Adapted Aquatics Program (see above).

Our swim team program will offer lap swimming and stroke refinement. All participants will be encouraged to practice for our CRC City-wide swim league meets and the Special Olympics and Paralympic swim meets. This fun program is a great opportunity for swimmers to continue to perfect their skills and to improve their fitness! GO SHARKS!

Therapeutic Summer Day Camp Programs

Therapeutic Summer Day Camps swim at Dunham Otto Armleder Pool and LeBlond Pool.

Inclusion

All Cincinnati Recreation Commission aquatic programs are available for participants with disabilities. If an individual requires assistance in order to successfully participate, an accommodation may be requested. Our CRC Therapeutic Division's Inclusion Team will assist individuals with disabilities while participating in aquatic programs. The inclusion staff will:

- Assist in identifying a Cincinnati Recreation Commission aquatic program that fits your needs and interests.
- Assist in the process of registering and, if necessary, requesting an accommodation.
- Assist pool staff and instructors in providing necessary accommodation and other supports for successful participation.

For current fee information about Therapeutic Summer Day Camp Programs and/or inclusion, call Sandy at 352-4028.

Discover SCUBA

Discover SCUBA with SCUBA Unlimited's certified dive staff! Gain self-confidence and experience the thrill of trying Self Contained Underwater Breathing Apparatus under the guidance of a P.A.D.I. certified instructor. Those age 12 and older can come to one of these Discover SCUBA sessions and receive an introduction to SCUBA under the guidance of P.A.D.I. certified instructors. Teens, adults, seniors, parents and families are encouraged to participate.

Parental permission slips are required and available at scheduled pools. Class size limited to 45.

Neighborhood Pool-Watch Program

The Cincinnati Recreation Commission wants your help.

Save a Life... Help prevent drownings. Watch your pool. Call 911.

- Alert police at 911 if you see swimmers in a pool area after hours. Your phone call can make a difference and save a life.
- If you see fence cuts after hours at city pools, call the City of Cincinnati non-emergency dispatch at 765-1212 to alert the Cincinnati Recreation Maintenance staff.
- Watch your children. Never leave small children unsupervised near water, not even for a moment.
- Swim only when pools are open, with lifeguards on duty.
- Learn to swim, take Cincinnati Recreation Commission's "I CAN SWIM!" lessons at one of our CRC pools.

For more information, call CRC Aquatic Division at 357-POOL (7665).

Fitness Lap Swim

Fitness Lap Swim is a great chance to get in the pool and get in some distance swimming. A lap lane(s) is available, upon request, based on attendance, at most of our deep water pools during evening open/family swim and some locations during open swim times.

Free Lunch Program

In case you forgot your lunch, need a lunch, or are just plain hungry in the middle of a hot summer day, the Cincinnati Public School Free Lunch Program is here to help. Monday through Friday, CRC provides free lunch sites across the city for youth ages 18 and younger. All sites closed Monday, July 4. There is no fee and no registration - simply arrive at any site 15 minutes before the scheduled time so a lunch can be ordered. All meals must be eaten at the site. CRC pools support this program and will announce for children to enjoy lunch. Open swim, adult swim, and/or day camp group swims for those who are not eating free lunch will be held during this time at pools.

- **Additional breakfast and lunch locations are available.**
- **Schedule is based on 2015 times.**
- **For information call Cincinnati Public Schools Food Service at 363-0800.**

2016 schedule will be available at cincyrec.org.

PROGRAM**

Youth 11-14 years old

Junior Lifeguarding Competition

Saturday, July 23, 2016

10:00am - 4:00pm at Ryan Pool (2856 Fischer Place 45211)

The American Red Cross **Junior Lifeguarding** Learn to Earn program gives your child a jump start into Red Cross lifeguarding. This program will help your child, age 11-14, build a foundation of knowledge, attitudes and skills to become a future lifeguard. Your child will receive instruction in prevention, fitness, response, leadership, professionalism and swimming skill development. Your child will practice with the swim team Monday through Thursday as part of their class. Friday practices and Wednesday evening meets are optional. Your child will have the opportunity to earn incentive items like goggles, T-shirt, and a swim-suit through a structured program designed to encourage timeliness, positive work ethics, and leadership. This is a great six week program, from June 13 through July 23, at 20 CRC pools. To be eligible, a child must be able to swim across the width of the pool, be able to stand, put their face in the water and blow bubbles.

To register, a child can sign up at one of the pools below beginning Monday, June 6 at 1:00pm. Parents are not required at registration, but must complete the registration form by June 23 for their child to remain eligible. Ten to fifteen students per site are selected on a first come, first serve basis.

Lifeguard Training Courses

**American
Red Cross**

Each year the Cincinnati Recreation Commission recruits and trains 200+ lifeguards to "Work the Water" at CRC public pools. CRC aquatic staff instructors hold free, pre-lifeguard classes in the evenings during fall, winter and spring at Mt. Auburn Indoor Pool. These classes are designed for anyone age 14 and older who wishes to learn and refine their swimming skills in preparation for Lifeguard Training Courses. They are offered continuously and you can start anytime.

CRC offers 10-11 Lifeguard Training Courses annually, March through December. Make a difference in neighborhoods, be a lifeguard! Learn to save lives and earn your certification in American Red Cross Lifeguard Training, First Aid, CPR for the Professional Rescuer/AED, Administering Emergency Oxygen and Water Park Lifeguarding. Participants must be at least 15 years of age. Adults are welcome. This training is FREE for those working the entire summer season for the Cincinnati Recreation Commission. This includes a book, whistle and lanyard. Lifeguard Training is also available to those not working with CRC for a fee of \$300.00.

Lifeguard Training Course prerequisite skills include: (1) 300 yard continuous swim, front crawl and breast stroke; (2) Swim 20 yards, surface dive to a minimum of 7 feet, retrieve a 10 pound object, return to the surface with the object and swim back to the starting point, keeping face at or near surface, holding the 10 pound object with both hands; (3) Tread water for 2 minutes using only the legs.

Open Swim/Family Swim Times

Visit your neighborhood pool or a pool across town during open swim and have fun! Swim, splash and socialize with neighbors and friends. Swimming is the second most common form of exercise. Open swims are for all ages. **Children age 7 and younger must be accompanied and actively supervised with touch supervision -- and children age 8-11 must be accompanied and supervised by a parent, legal guardian, or adult age 18 or older during open swim hours.**

Use the 1-meter diving board at deep water pools, jump into the shallow water, swim laps, ride the slides, or just cool off during the CRC pools' open swim times. Several pools offer a lap swimming lane during open swims. Remember, spraygrounds are free. Hours subject to change.

FOUNDATION

Cincinnati Recreation Commission

"I CAN SWIM!"

PROJECT & SCHOLARSHIP PROGRAM

- Nine people drown each day in the U.S.
 - Drowning is the 2nd leading cause of accidental death in children under 14.
 - In ethnically diverse communities, the youth drowning rate is more than double the national average.
- ## HELP US CHANGE THE NUMBERS!
- In 2015 CRC provided over 4,500 lessons to the public!
 - Since 2012, over 10,000 people have learned to swim thanks to CRC!

The Cincinnati Recreation Commission's "I CAN SWIM!" Project with the help of the USA Swimming Foundation's Make a Splash Program Grant teaches swimming and water safety to help children and others be safe in and around the water. Many first-generation swimmers have learned how to swim in this program.

On-site Registration at the pool of your choice begins Monday, June 6

Swim Lessons are FREE for Summer 2016.

Swim Lessons begin June 13 & July 11

A pay-it-forward \$20 donation is suggested

to train as many children as possible next year. (more if you can, less if you can't)

"I CAN SWIM!" is dedicated to the memory of Cameron Jeff (age 10) and his brother Bryce (age 8), who tragically drowned in a neighbor's backyard pool because they were unable to swim. Spearheaded by their parents, the "I CAN SWIM!" project aims to give meaning to Cameron and Bryce's heartbreaking deaths.

Swim Lessons - "I CAN SWIM!"

CRC's "I CAN SWIM!" Project is American Red Cross instruction designed to help swimmers of all ages begin, develop and refine their swimming skills. Red Cross Water Safety Instructors teach a variety of swim strokes, personal safety skills and diving techniques. At more advanced levels, students refine skills and discover how to incorporate swimming into a lifetime fitness program. CRC's "I CAN SWIM!" Project/American Red Cross Learn to Swim Program is progressive; you must satisfactorily demonstrate the skills of the previous level on the first day of class to gain admittance into the next level. On day one, swimmers will be placed into levels based upon skill testing.

Parent and Child Aquatics - ages 6 months-3 years.

Builds swimming readiness while emphasizing fun. A great chance for children and caregivers to enjoy the water together! Parents/Caregivers are required to be in the water with their children.

Swim Teams / Instructional League

Children and teens ages 17 and younger will improve their swimming skills, learn competitive swim strokes (freestyle, backstroke, breaststroke, and butterfly), as well as entries and turns by joining one of CRC's 19 offered swim teams.

Swim team participation is free with an All-CRC (City-Wide) pools membership. We ask that all youth are registered with a parent or guardian's permission. Get involved. Come out on Wednesday evenings and cheer on your favorite swimmer!

Did you know over 25% of our lifeguards swam on swim teams?

Seven summer instructional league swim meets are held on Wednesdays June 15 - July 27. Most meets have 3-4 teams attending and are at 6:30pm. Rain-out & make-up meets will be held on Friday evenings. The city finals championship meet is at 11:00am on Saturday, July 30 at Ryan Pool. More than 400 youth swim in our league.

Make waves, join the team of your choice!

For additional information call 357-POOL (7665) or call the pool.

Water Exercise

CRC wants to help you improve your fitness level, decrease stress and build strength and muscle tone through fun aquatic fitness programs.

Before starting any workout program, please consult your physician.

Water exercise is an aerobic water workout, designed to get your heart pumping for a 45-60 minute class. Did you know that every gallon of water you move weighs 8.3lbs?! Stay cool and workout to music. Your first class is free, so come and try it!

In addition to our *summer* water exercise classes, classes continue in the fall, winter and spring, indoors at Mt. Auburn pool. Register at the pool. Call 513-357-POOL (7665) for information.

Year-Round Indoor Pool

CRC is proud of it's renovated warm-water, therapeutic, indoor year-round pool, offering a wide variety of programs to fit your aquatic needs.

Mt. Auburn Pool, 2034 Young Street, located in Mt. Auburn, is a warm water pool, temperature 87 degrees F, perfect for anyone looking for a warmer pool. Mt. Auburn's trained staff offers adapted aquatic swim programs. The facility has accessible parking, accessible showers and restroom facilities, and an accessible family dressing room. The pool offers a chair lift and steps with handrails. Mt. Auburn is also available for rentals by occupational therapists, physical therapists and for one-on-one therapeutic water work. During the weekdays, school groups and senior groups have classes. Everyone can take advantage of a comfortable water environment.

Our Arthritis exercise program is perfect for those wanting to loosen up their joints. CRC's "I CAN SWIM!" Project and Learn-to-Swim lessons are available in the evenings. We also have our Pre-Lifeguard Classes for those 15 and older wanting to prepare for our American Red Cross Lifeguard Training Courses. The warm water environment is a perfect place to orient your little one, age 6 months to 3 years, to the water in our American Red Cross Parent and Child Program. Conquer your fear of water; sign up for individual or group swim lessons in a comfortable warm water environment.

Mt. Auburn Pool is included in All-CRC (City-Wide) Pools memberships for all ages for the year. "I CAN SWIM!" Project Swim Lessons are \$20/session (more if you can, less if you can't) Other Aquatic Program and Adapted Aquatic program fees vary.

See the Therapeutic Recreation Aquatic Programs section on www.cincyrec.org for more information. Call the CRC Aquatic Division 357-POOL(7665) for details.

S.O.S.

Suit our Summer!

With the help of many individuals the Aquatic Division staff annually collects **1,000 new and gently-used swimsuits** for those in need of a swimsuit in order to swim at CRC pools. You can drop off or send swimsuits to:

SWIMMING POOL RULES AND REGULATIONS

The Cincinnati Recreation Commission has the responsibility to provide a clean, pleasant, and safe environment for public swimming. Rules and regulations have been developed with that responsibility in mind. Situations may occur that require immediate corrective action. Lifeguards are expected to exercise their best judgment in those situations and have full authority to act in order to ensure the safety of all swimmers. To help us, we ask that all pool patrons follow these rules.

The following rules pertain to the swimming pools, bathhouses, wading pools, grass areas, entrance ways and pool decks of the Cincinnati Recreation Commission:

Pool memberships (annual or daily user) are required for all patrons entering the facility, including infants and adults who are supervising children.

In situations where the police are called for a patron who is breaking a rule, the patron's CRC pool/center membership may be revoked and the patron(s) will be removed from all CRC pools' property for the remainder of the membership period or pool season without a refund. Managers are to notify the pool supervisor and nearby pools and centers.

HEALTH CODE

- Any person suspected of having an infectious or communicable disease or any person with an obvious infectious wound, head lice (CRC has a no nit policy) or ringworm shall not be permitted to use the pool. However, these persons may be granted entry upon verification of a written statement from a physician that the condition is not infectious.
Reason: *Keep the chance of spreading infectious disease to a minimum.*
- Any person experiencing diarrhea or vomiting shall not be permitted to use the pool. This is especially important for children in diapers.
Reason: *Diarrhea can contain disease.*
- Please don't swallow pool water.
Reason: *Help educate children and protect yourself against Recreational Water Illnesses.*
- Please wash your hands with soap and water after using the toilet or changing diapers.
Reason: *Keep yourself and others from getting sick.*
- Please take your children on bathroom breaks every 30 to 60 minutes.
Reason: *Reduces the chance of fecal contamination and the amount of urine in the pool.*
- Please change diapers in the restroom and not at poolside.
Reason: *Reduces germs on benches and pool area surfaces.*
- Please wash your child thoroughly (especially the rear end) with soap and water before swimming.
Reason: *Reduces the amount of fecal matter in the pool.*
- No person who is observed passing feces, urine or blood into a pool shall be permitted to use the pool until the condition is controlled.
Reason: *Body fluids may contain infectious pathogens and contaminate the water.*
- Patrons are asked to shower before entering the water.
Reason: *To reduce sweat, other body fluids and lotions in pool which affect the water chemistry.*

GENERAL FACILITY RULES

- Criminal trespass charges will be filed on individuals refusing to comply when asked to leave the pool area and CRC property.
- **Children's safety and their behavior are the responsibility of parents or group leaders, not the lifeguards.**
Reason: *Lifeguards are not babysitters. Lifeguards are busy watching their zones of coverage.*
- Children 17 and younger should be registered for membership by a parent or guardian.
Reason: *In case of emergency, information on minor children should be available. Parents should know where their children are.*
- Lifejackets are available free of charge and encouraged for non-swimmers.
Reason: *Children who cannot pass the ARC Level 3 swim test in deep water may be safer in a lifejacket while swimming in water over their heads.*
- **Children 7 years and younger must be accompanied and actively supervised with touch supervision** at all times in groups of three or less by a parent, legal guardian, or adult age 18 or older. Parents with more than three children under age 6 should make arrangements to have another adult assist with supervision.
Reason: *Highest incidences of drowning occur in this age group. Active adult supervision is mandatory.*
- **Children age 8** must be accompanied and supervised by a parent, legal guardian, or adult age 18 or older during open swim hours.
Reason: *Children should have supervision during open swim.*
- CRC recommends that children age 9-11 be accompanied and supervised by a parent, legal guardian, or adult age 18 or older during open swim hours. However, children age 9-11 are permitted to swim unaccompanied during open swim hours with a Permission Slip & Release of Liability Form signed by a parent or legal guardian on file at the pool.
Reason: *Some children age 9-11 are able to swim on their own.*
- Arrangements by established child care providers can be made in advance to accommodate ratios of one adult to 8 pre-school children (age 4 & 5); one adult to 10 elementary-age children (age 6-9); and one adult to 15 elementary-age children (age 10-12). **Child care providers must actively supervise all children and children age 7 and younger with touch supervision.**
Reason: *Must be approved by Pool Supervisor or Pool Manager.*
- Horseplay, rough or boisterous play, such as running, pushing, dunking or splashing, is not permitted.
Reason: *These are hazardous, a patron could be injured.*
- Profanity, improper behavior, intoxication and use of illegal substances, drugs and weapons is not allowed.
Reason: *It is unlawful to possess weapons, illegal substances and/or alcohol on CRC property.*
- Sexual harassment or harassment of any kind towards anyone is not tolerated. Sexual harassment includes inappropriate staring, sexually inappropriate comments, unwelcome touch, gestures and speech. If behavior occurs, patron(s) will be asked by the pool manager to discontinue the behavior. If the harassment continues, patron(s) will be asked to leave the facility and grounds.
Reason: *Harassment will not be tolerated.*
- Food, drinks, alcohol, gum and chewing tobacco are not permitted inside the pool facility. Food and drinks may be allowed on sites with designated food areas.
Reason: *Trash can cause problems with insects, ants and bees. Gum and candy can be a choking hazard. Alcohol impairs judgement which can lead to serious injury.*
- Smoking and electronic cigarettes are not permitted within 50 feet of the pool fence, building or inside the pool facility.
Reason: *CRC facilities are smoke free.*

GENERAL FACILITY RULES (Continued)

- All swimmers should wear proper swimwear. Underwear is not to be worn under swimsuits. Swimsuits with sewn-in floatation are restricted to the wading pool or require one-on-one constant touch supervision by an adult.
Reason: *Improper swim attire can be unsafe and can contain detergent residue.*
- T-shirts, basketball/thick mesh shorts, cut-off shorts, shorts with zippers, baggie shorts that expose the buttocks and thongs are not permitted. In case of severe sunburn, children should be out of the sun, not at the pool. Only specific, UV protective snug fitting, rash guard shirts are permitted in the pool.
Reason: *The loose fringe from shorts clog filter basket. Shorts with zippers or metal accessories scrape the slides. Soap in clothing affects water chemistry residual. T-shirts worn for over-exposure to sun do not protect adequately and are a potential safety hazard; they can come up over a person's face.*
- All incontinent swimmers (adults or children) must wear swim diapers/non-biodegradable diapers made for swimming.
Reason: *To help contain body fluids.*
- Only adults supervising children are permitted inside pool areas wearing street clothes, and must remain back near the fence, not up by the pool.
Reason: *Pool area is for those actively participating in pool activities. Patrons are too tempted to push in bystanders.*
- Glass objects, including beverages, are not permitted in pool facility (deck, entry way, office, or restrooms).
Reason: *Glass can cause injury if broken.*
- The City is not responsible for left, lost, or stolen articles.
Reason: *Staff cannot take responsibility for watching patron's valuables. Lockers are available at several pools.*
- Inappropriate display of affection is not permitted.
Reason: *Improper public behavior is not allowed.*
- Patrons are not to socialize with lifeguards or climb on guard chairs.
Reason: *This distracts from lifeguard's primary responsibility of surveillance.*
- Personal-space music (e.g.: phones, i-Pods, MP3 players, headphones) is allowed on deck by patrons only. Each pool site without a speaker system may have one sound system controlled by staff. Music is to be "family friendly" and not to include profanity, sexually explicit or racially offensive language.
Reason: *Some patrons do not like loud music. Guards may not be able to hear someone yell for help.*
- Patrons may be in the office with staff personnel for emergencies only.
Reason: *Office is for CRC business.*
- Phone is for emergency and CRC business use only. No personal calls. This applies to staff and to patrons.
Reason: *Phone must be available at all times for an emergency, incoming as well as outgoing.*
- Cell phones, video cameras and electronic devices are not permitted in restrooms or locker rooms.
Reason: *Restrooms and locker rooms are private areas for changing and showering.*

SWIMMING POOLS

- Absolutely no diving into water of five feet or less in depth.
Reason: *Head or spinal injury could occur.*
- No back dives or flips from the sides of the pool.
Reason: *Chance of injury is great.*
- Ball playing, Frisbee and football tossing are not permitted in the pool facility.
Reason: *Patron can be hit by object resulting in injury.*
- During open swim, nerf balls, beach balls, foam logs (noodles) are permitted. Rubber rafts, tubes and other inflatable items are permitted at the discretion of the manager.
Reason: *During crowded conditions floats can interfere with swimmers as well as the lifeguard's line of sight. Clear floats are acceptable.*
- Kickboards are to be used only in lap areas or during lessons.
Reason: *Can cause injury if used improperly.*
- Swimmers using lap lanes must move continuously.
Reason: *To avoid swimmers running into each other.*
- Ladders, handrails and chair lifts are to be used only for entering or exiting the pool. Playing on ladders, handrails and chairlifts is not permitted.
Reason: *High incident of accidents can occur here.*
- Hanging on or swimming under safety lines is not permitted. Hanging on lane lines is not permitted.
Reason: *Can be a false security for non-swimmers.*
- Spouting or spitting of water in pool or on deck is not permitted.
Reason: *Not a healthy practice.*
- U.S. Coast Guard approved life jackets Types I, II, and III are suggested for non-swimmers and are available for use at all pools at no cost. Absolutely no water wings or personal inflatables allowed in large pool. These items are permissible in the wading pool only.
Reason: *Water wings can deflate or slip off causing a dangerous situation for a non-swimmer.*
- Swim GOGGLES are acceptable. Face masks covering eyes and nose, fins, and snorkel are permitted only during organized swim class, Discover SCUBA program or underwater hockey games.
Reason: *Masks can fill with water, or slip over mouth and nose causing a potentially dangerous situation. Snorkels can flood, causing choking.*
- During rest periods, only those 18 years and older are permitted to swim. Children 7 years and younger are permitted in the pool at this time when one parent or adult accompanies each child. If there are no adults, this could be teen time, or a water game time, or eliminated altogether at the discretion of the pool manager.
Reason: *Allows younger swimmers a chance to rest and use the restroom.*

DIVING AREAS

- To be permitted to go off the board, patron must be able to swim to the side of pool without assistance.
Reason: *All diving rules and regulations are for the safety of our patrons.*
- One person on a diving board at a time (including steps of the ladder). The next person should wait on the deck until the person on the board goes off.
- Diving and jumping are permitted in a forward direction from the end of the board only. Make sure area under board is clear.
- Immediately after the dive, leave the water using the nearest ladder.
- Free swimming is not permitted in diving area. Deep water instructor-led games may be played during programs.
- One bounce on the board. This refers to a hurdle step and one bounce, not two.
- Hanging on boards is not permitted.
- Inward dives and sit dives are not permitted.
- Children are not permitted to jump off the board to other patrons or staff.
- Swimming under or between boards is not permitted.

WADING POOLS

- Only children 7 years and younger with parent or adult age 18 and older are permitted. One adult may supervise up to a maximum of three children in the wading pool.
Reason: *Children younger than 7 have a high incident of water-related accidents or injury.*
- Parents and adults must actively supervise their children while in the wading pool area.
Reason: *Lifeguard does not have the ability to adequately watch numerous preschoolers at once. Lifeguards are not babysitters.*
- Prior arrangements by established child care providers can accommodate ratios of one adult actively supervising up to eight preschool children (age 4 & 5) or up to 10 elementary age children (age 6+). This does not apply to zero depth, non-wading-pool sites.
Reason: *Pool Supervisor or Pool Manager should approve this.*
- Dives from deck are not permitted.
Reason: *In shallow water the possibility for injury is too great.*
- Running is not permitted in the wading pool water or on the deck.
Reason: *Falls and injury can occur on wet surface.*
- Swim diapers are required. Regular disposable diapers absorb water and disintegrate and are not permitted in CRC pools.
Reason: *To help contain body fluids and help keep disease from spreading.*
- Climbing on or over wading and shallow pool dividing walls is not permitted.
Reason: *Falls are likely and depths of water are different.*
- Adults supervising children are not permitted in the wading pool in their street clothes. They may be in the wading pool area, but not in the water.
Reason: *Residual laundry detergents upset the pool water chemistry.*

SLIDES

- Slide riders should meet the minimum height posted at the slide.
Reason: *So users can stand up in the splash-down area to get to the side of the pool.*
- Slide users shall follow directions from the dispatcher.
Reason: *Safety, so one person at a time goes down the slide.*
- One user per slide on the starting platform at the top of each slide at a time.
Reason: *Only one user can ride at a time.*
- Always check to see if splash-down area is clear before entering the slide.
Reason: *For safety reasons, so users do not collide.*
- Ride slide feet first, laying down flat at all times.
Reason: *Head first entry into the shallow water can cause injuries.*
- Stopping, changing positions and forming chains are prohibited.
Reason: *For safety reasons, only one user at a time.*
- Only one user sliding down the slide at a time.
Reason: *For safety reasons, so no one collides.*
- Users must exit the landing area, or splash-down area, immediately to the nearest side.
Reason: *For safety reasons, to get out of the way of the next user.*

SPRAYGROUNDS

Safety First:

- Remember, there is no lifeguard on duty!
- In an emergency call 911
- Children should be actively supervised and accompanied by a responsible adult.
- Children's safety and behavior are the responsibility of parents/caretakers.
- Glass or other hazardous objects are not permitted.
- Do not climb on spray features.
- Be courteous to others - the following are NOT permitted:
 - Smoking/tobacco products, electronic cigarettes, alcohol, food or gum
 - Offensive or inappropriate public behavior
 - Running, climbing or rough play
 - Bikes, skates or skateboards
 - Animals of any kind

Health and Sanitation are important:

- Children who are not toilet trained must wear a swim diaper.
- Do not urinate or change diapers in aquatic spray area.
- Take regular restroom breaks and change children's diapers frequently.
- Wash hands after using restroom or changing diapers.
- Individuals with diarrhea should not use the aquatic area.
- Any person with an infectious wound or communicable disease should not use aquatic area.
- Do not drink aquatic area water - water recirculates.
- To report sprayground problems, please call (513) 352-4000.
